A Directory of Imperial University Graduates

帝国大学出身名鑑

Publisher: Koyu Chosakai
One-time purchase price:
[1 concurrent user] JPY 275,000
[3 concurrent users] JPY 412,500
Print pub Year: 1932 (Showa 7)
Product ID: KP00030213

A directory covering only imperial university graduates. Since the number of students attending imperial universities was small at that time, they were the most elite class in the country. The graduates played key roles in various fields and made significant contributions to the modernization of Japan. This is a large directory with 1,980 pages and includes up to 10,000 people. Although the format is the same as today's directory, family information is also available. The original print version was published in 1932.
